

# YOUNG LEADERS PROGRAM

English School of Canada offers a unique program for students aged 14-18. The Young Leaders Program (YLP) offers students an integrated learning experience that allows students to develop their English language skills and explore what Canada has to offer, both academically and culturally.

Along with full-time English language classes, the program provides students with an opportunity to participate in interactive academic and leadership workshops. Weekly social and sports activities will round out the learning experience.

Are you ready to find out what your future holds?
